## SELECTMEN'S ANNUAL REPORT TO THE TOWN

The year 1985 has brought significant changes to our Town. New commercial and residential construction has added approximately 7 million dollars to our tax base. This includes a much needed new Post Office. A fine facility. Our Planning Board provided thoughtful guidance to this growth, for which we are all grateful.

Prudent investment of our funds borrowed in anticipation of taxes, has yielded sizeable dividends. The interest earned on the investment of the borrowed one million two hundred thousand dollars exceeded the cost by more than 17 thousand dollars. This is due to our very favorable interest rate. Increased revenues from automobile registrations and other sources have also contributed to our sound financial position. The reduction in the tax rate, was due to a combination of factors, which reflects favorably on our Department Heads, other employees, and all Town Officials.

We continue to be plagued by contamination of private wells. An additional number of wells were identified by the New Hampshire Water Supply and Pollution Control Commission as containing contaminants this past year. Through the combined effort of the Water Commission, Budget Committee, and Selectmen, permission was granted to expend twelve thousand dollars of surplus funds to extend the water main on North Road, west of Lafayette Road. The emergency request was approved by the New Hampshire Department of Revenue Administration to provide potable water to those homes with contaminated wells. Through the excellent cooperation of the Hampton Water Works we accomplished this task in approximately six weeks from the time of notification.

We call your attention to the Warrant Articles which seek your support for the necessary extension of water service. Completion of these extensions will provide suitable water to other areas, where private wells are threatened with contamination.

The search for the source of contamination at the Coakley Landfill Site will probably require an additional eighteen months. The Remedial Investigation and Feasibility Study, which is

presently being conducted by a private engineering firm, is being supervised by state and federal agencies.

We have entered into an agreement with the Office of State Planning to conduct an engineering study at Bass Beach Marsh and Little River Marsh. The four thousand dollar federal grant will assist us in determining the most feasible method of properly restoring these valuable marsh areas to their original ecology. Proper flushing with sea water is needed to reverse the adverse trend towards freshwater marsh ecology.

We can not say enough about the volunteers on our Boards, Committees, Commissions, Corps, and Associations. These dedicated public servants are providing countless hours of professional expertise to assist town government. The support services and programs that they provide are essential to the community and our individual well being. We salute these unselfish people for helping to make our Town a wonderful place to live and raise our children.

## MATTERS OF GENERAL INTEREST

### TO CALL POLICE—772-4716

This gives you the Rockingham Sheriff's Office which is in radio communication with our police cruisers 24 hrs. a day. To call the North Hampton Police office (open from 8:00 a.m.-12:00 and 12:30 to 4:00 p.m.) on other than emergency business, please call 964-8621.

### TO CALL THE FIRE DEPARTMENT OR TO CALL THE AMBULANCE—964-8282

This gives you our Fire Department, which is manned 24 hrs a day, and which also dispatches our ambulance. To call the Department on other than emergency business, please call 964-5500.

OFFICE HOURS for the Selectmen's Office, the Town Clerk's Office, the Tax Collector's Office, and the Building Inspector's Office are posted on the front door of the Town Office Building. Currently they are as listed below.

POSTING OF NOTICES for meetings of the Zoning Board of Adjustment, the Planning Board, the Budget Committee, the Conservation Commission, and like organizations are normally posted inside the front door of the Town Office Building. When required, they may also appear in a local newspaper as for instance the Hampton Union or the Portsmouth Herald.

SELECTMEN'S MEETINGS are held the second and fourth Monday evening of each month, commencing at 7:30 p.m. In addition a working session may be held on Saturday mornings. All meetings are open to the public and public participation is welcomed. If a person wishes to address a specific problem they are urged to contact the Administrative Assistant before 3:00 p.m. by calling 964-8087, so that they may be placed on the agenda. The reason for this is that the heads of Departments normally make their reports first at the Selectmen's meetings, and this system saves time waiting.

### PROPERTY INVENTORIES

These will be mailed out from the Town Office. They must be filled out and returned by April 15, 1986. State Law imposes a mandatory penalty for failure to file—1% of the property tax, but in no case less than \$10.00 or more than \$50.00. Any person failing to file and becoming liable for a penalty shall lose the right to appeal any property tax matter or to claim exemption.

## VETERAN'S EXEMPTION FORMS

Veterans who request these are required by law to fill out Form A-2, (a green sheet), listing their war record. This need only be done once.

## ELDERLY EXEMPTIONS

There are certain qualifications applicable and it is suggested that one contact the Administrative Assistant.

SOLAR EXEMPTIONS require the filing of the green form mentioned above.

## WIND EXEMPTION

No exemption is allowed.

## CURRENT USE

These Forms must be completed and filed by April 15th of a given year and need not be re-filed. They apply until the *land use* is changed, when a tax is assessed.

## OFFICE HOURS

### *Selectmen's Office (964-8087)*

**REPORT OF THE ANNUAL TOWN MEETING  
OF THE TOWN OF NORTH HAMPTON, N.H.**

**March 12, 1985**

A meeting of the inhabitants of the Town of North Hampton, N.H. duly qualified to vote in Town affairs was held at the Elementary School in said Town on the 12th day of March, 1985. Notice of the meeting had been duly posted and the alphabetical list of the voters, duly subscribed by the Supervisors of the Checklist had been posted and was available.

The elected moderator, Paul S. Cuetara, opened the meeting at 10:00 a.m. It was moved, seconded, and duly voted that the business section of the meeting would be held commencing at 7:30 that same evening, and that the polls would remain open through the day and long enough after the business meeting to enable everyone to have an opportunity to vote.

At 7:30 p.m. on the 12th of March, 1985, the business section of the Annual Town Meeting was called to order by the Moderator. He stated his rules for the conduct of said meeting and proceeded to take up the Town Warrant, Article by Article.

**ARTICLE 1:** To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing years. Some of these officers were on the Official Ballot and the results were as follows:

**SELECTMAN, for three years**

Robert F. Carrigg ..... 284  
Sumner A. Claverie ..... 283

Robert F. Carrigg was elected.

**TAX COLLECTOR, for one year**

John T. White ..... 551

John T. White was elected.

**TOWN TREASURER, for one year**

Gail G. Johnson ..... 539

Gail G. Johnson was elected.

**LIBRARY TRUSTEE, for three years**

Marie L. Gainer ..... 522

Marie L. Gainer was elected.

TRUSTEE OF TRUST FUNDS, for three years	
Byron L. Kirby .....	533

WATER COMMISSIONER, for four years	
Robert S. Gamlin .....	196
David W. Peters .....	288
David W. Peters was elected.	

BUDGET COMMITTEE, for three years	
(Vote for two)	
Judith Batchelder .....	526
(There were two vacancies here but as no one was elected for the second vacancy the Moderator appointed Sumner A. Claverie.)	

Mr. Walter Lermer moved and Mr. Southworth seconded, that the Town vote to fill these various positions as follows:  
 Surveyor of Wood and Lumber ..... D. Morris Lamprey  
 Wood and Tree Warden ..... Stanley Knowles  
 Overseers of the Poor ..... The Selectmen  
 There was a hand vote and MOTION CARRIED.

**ARTICLE II:** To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

Motion was made by Mr. Lermer and seconded by Mr. Southworth. Vote was by show of hands. MOTION CARRIED.

**ARTICLE III:** To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

Motion was made by Mr. Southworth and seconded by Mr. Lermer. Vote was by show of hands. MOTION CARRIED.

**ARTICLE IV:** To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

Motion was made by Mr. Southworth and seconded by Mr. Knowles. Vote was by show of hands. MOTION CARRIED.

**ARTICLE V:** To see if the Town will vote to accept the reports of Town Officers.

The reports of the Town Officers were reported in the Town Book and this was brought to the attention of the meeting. Motion was made by Mr. Southworth to accept Article V and seconded by Mr. Knowles. Vote was by show of hands. MOTION CARRIED.

**ARTICLE VI: (RECOMMENDED BY THE BUDGET COMMITTEE)** To see if the Town will appropriate a sum not to exceed Ten Thousand Six Hundred Eighty-four Dollars (\$10,684.00) for the purchase of a new police cruiser, and to authorize the withdrawal of not more than Eight Thousand Five Hundred Dollars (\$8,500.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, with the balance of Two Thousand One Hundred Eighty-four dollars (\$2,184.00) to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35, Section 15.

Motion was made by Mr. Carrigg and seconded by Mr. Berry. Vote was by show of hands. MOTION CARRIED.

**ARTICLE VII: (RECOMMENDED BY THE BUDGET COMMITTEE)** To see if the Town will appropriate the sum of Five Thousand Dollars (\$5,000.00) to add to Capital Reserve Fund No. 10 for the purchase of a truck for the highway department, and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Motion was made by Mr. Carrigg and seconded by Mr. Berry. Vote was by show of hands. MOTION CARRIED.

**ARTICLE VIII: (RECOMMENDED BY THE BUDGET COMMITTEE)** To see if the Town will appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purpose of continuing the program of improvements to the heating system and other energy saving items at the Library and to authorize the withdrawal of the same amount from Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Carrigg and seconded by Mr. Berry. Vote was by show of hands. MOTION CARRIED.

**ARTICLE IX: (RECOMMENDED BY THE BUDGET COMMITTEE)** To see if the Town will appropriate the sum of Four Thousand Dollars (\$4,000.00) for the purpose of purchasing replacement radios for the Police Department, and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Carrigg and seconded by Mr. Berry. Vote was by show of hands. MOTION CARRIED.

**ARTICLE X: (RECOMMENDED BY THE BUDGET COMMITTEE)** To see if the Town will appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for the purpose of purchasing a variable flow control panel for the Mosquito Commission, and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Carrigg and seconded by Mr. Berry. Mrs. Tillinghast asked what the panel was and was given the answer by Mr. Southworth. Mr. John Muller said he thought the Town was giving up aduaticiding. Mr. Knowles explained that they would continue aduaticiding because of public demand, however, they would be doing more larviciding. Terry Mackin questioned about the moneys listed and Mr. Lermer explained that Rye didn't bill the Town until 1985 for our last share of 1984 so that the book-keeping needed updating. Mr. Claverie questioned the condition of the truck and Mr. Knowles explained that the truck is old but felt it could be used for another year. The Moderator then called for a hand vote. MOTION CARRIED.

**ARTICLE XI:** To see if the Town will authorize the Selectmen to enter into an agreement for three years with David Pope. Said agreement would have Pope improve at his expense and furnish to the Town a parking area on Ocean Boulevard, owned by Pope, for the use of Town residents. Further, the Selectmen would develop and operate a system of permits for the vehicles to be parked, charging Ten Dollars (\$10.00) per permit sticker. Also to see if the Town will raise and appropriate the sum of Eight Thousand Five Hundred Dollars (\$8,500.00) for this purpose for this year.

Motion was made by Mr. Knowles and seconded. Mr. Knowles wanted to amend the amounts to Twenty Dollars (\$20.00) per permit and Seven Thousand Two Hundred Dollars (\$7,200.00) for this purpose this year. He went on to explain that the fee should cover the costs, the trees would be left in the area to protect the abutters, the area could be secured at night with a cable, the police would enforce the use of the area and it would be open July 1 to August 31. Mr. Southworth said there was no easy way out of the situation as the State took over the beach area in 1981 and now provides bathrooms and a lifeguard and has parking meters that take 25¢ for 24 minutes. He said Sea Road and Apple-dore parking were possibilities but that he was opposed to this article.

Mr. Mike Burnell stated that he was opposed to this article as he felt we were being asked to violate zoning and subsidizing parking. He offered the following amendment: The Selectmen of the Town of North Hampton are hereby empowered to enter into and execute a three (3) year lease with Mr. David Pope for the use of a portion of his property on Ocean Boulevard as a parking area for residence only beach parking when, and only when, funds sufficient to pay seventy-five percent (75%) of the annual cost of this lease have been collected from the sale of resident beach parking stickers. Should insufficient funds be collected to attain this seventy-five percent (75%) figure, all funds will be refunded and no lease entered into and/or executed. Mr. Hickey seconded the amendment. This would be \$5,400 or 270 permits, for the 45 spaces.

Chief Golden expressed concern of traffic safety in the high traffic area. Mr. Forti questioned a 3-year contract and asked what would happen if the Town didn't vote the money for the second or third year. Mr. Seaverns questioned why we don't have town parking at the beach as Rye and Hampton do. Mr. Southworth explained that Rye got it because of an error in the layout of US 1-A north of the Beach Club in Rye. Mr. Tager was concerned about safety. Mr. Knowles asked if they could have a show of hands of those who would be interested in buying a sticker and about 65 raised their hands.

Mr. MacLennan wondered if they could make the area larger. Mr. Muller asked where the 150 signers of the petition were. Mr. Facey asked if there were other alternatives. Mr. Muller asked how many cars could be parked on Sea Road and Appledore. Mr. Lerner said about 45 in each area. Mr. Mixer suggested that we try Sea Road for one year as there would be no cost. Chief Goodwin said that Sea Road parking would be disaster for the Fire Department if parking were allowed on *both* sides. Mrs. Tillinghast asked who would pay for a traffic light. Mr. Claverie asked if there would be additional costs. Mr. Mixer questioned disturbing nature and birds as the parking area would be so near the Marsh. Mr. Knowles explained there would be no filling of the marsh. Mr. Seaverns said that he thought it was too bad that there wasn't parking available for the residents in a resort town. Mr. Simmons questioned who would monitor the area and was told by Mr. Knowles that the police would. Chief Goodwin moved the question. The Moderator called for a hand vote and asked for tellers to count. The vote was 83 For and 87 Against. Mr. Burnell's amendment was DEFEATED.

The Moderator then announced that the main Article, Article XI, would be voted on by Yes and No ballots by the checklist. The vote was YES 72 votes, NO 136 votes. ARTICLE DEFEATED.

**ARTICLE XII:** On petition of Elizabeth H. Terry and eleven other legal voters of the Town of North Hampton, to see if the Town will raise and appropriate the sum of One Thousand Seven Hundred Fifty Dollars (\$1,750.00) to assist Seacoast Hospice, a non-profit organization.

Motion was made by Mrs. Terry and seconded by Mrs. Guth. Cynthia Jenkins explained that amount is one half what the actual expense was for 1984 in North Hampton. Vote was by show of hands. MOTION CARRIED.

**ARTICLE XIII:** To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Mr. Carrigg made the motion to raise and appropriate \$1,209,397 which includes \$1,750.00 for Seacoast Hospice. Seconded by Mr. Berry. Mr. Carrigg, Chairman of the Budget Committee, presented the Budget line by line, discussing the following items at the time:

Police Department: An amendment was made by Chief Golden to add \$2,400 to the salaries for the Police Department to bring the total budget to \$209,466. It was seconded. Mr. Boesch asked what other town employees got raises. Chief Golden replied that the school got 8.5%. Mr. Boesch didn't feel teachers and town employees salary have to be tied together. Mr. Sanborn explained that there is a salary schedule for teachers which has steps, education and experience built into it and is very complex so that not every person is going to get a 8.5% increase—some may get only 5%. Mr. Carter asked what was underspent in the police budget and was told that some equipment was sent back and some vacation and sick leave pay was not used. Mr. Tager was in favor of the motion. Mr. Southworth said the police negotiated with the Selectmen for 6% increase. Mr. Trask asked if the Selectmen would consider patterning their negotiations with school figures. Mr. Markey asked what other towns pay. Mr. Lerner said that we pay in the upper one half of what other towns pay and if this amendment is passed, it would be in the upper one quarter of what other towns pay. Mr. MacLennan suggested what was saved from the parking lot be put toward the police. Hand vote counted by tellers, YES 95, NO 73. AMENDMENT CARRIED.

Fire Department: An amendment was made by Chief Goodwin to add \$1,870 to the salaries for the Fire Department to bring the total to \$171,944. Seconded by Chief Golden. Hand vote. AMENDMENT CARRIED.

Mosquito Control: An amendment was made by Mr. Lerner to add \$2,217 to this budget, to make a total of \$12,438. It was seconded. Mr. Lerner explained that \$3,046 was turned back in 1984 to this budget but that Rye had just sent their final bill on March 4th for last year. Hand vote. AMENDMENT CARRIED.

Mr. Muller questioned the increase in insurance but Mr. Lerner explained that 8 companies had been contacted and that this was the figure that appeared reasonable.

Mr. Carrigg made a motion that \$1,219,867 be voted as the amended budget for Town expenses for the coming year. It was seconded. Hand Vote. MOTION CARRIED.

**ARTICLE XIV: (ON THE OFFICIAL BALLOT)** Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning ordinance, as follows:

To see if the Town will vote to change SECTION 302.24 by the substitution of the following:

24. Frontage: The distance for which a lot abuts and is adjacent to one town accepted or maintained road within the limits of the Town of North Hampton as shown on the Official Map.

RECOMMENDED BY THE PLANNING BOARD  
YES 409 NO 104. AMENDMENT CARRIED.

**ARTICLE XV: (ON THE OFFICIAL BALLOT)** Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to change SECTION 302.32 by the substitution of the following:

32. Poorly Drained Soils: Soils in which water is removed so slowly that the soil remains wet for a large part of the time. A poorly drained soil has a water table near the ground surface that keeps the soil wet 7 to 9 months of the year as

defined by the Soil Conservation Service.

RECOMMENDED BY THE PLANNING BOARD.

YES 438 NO 76 AMENDMENT CARRIED.

**ARTICLE XVI; (ON THE OFFICIAL BALLOT)** Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning ordinance as follows:

To see if the Town will vote to change SECTION 302.33 by the substitution of the following:

33. Very Poorly Drained Soils: Soils in which water is removed from the soil so slowly that the water table remains at or on the ground surface most of the year as defined by the Soil Conservation Service.

RECOMMENDED BY THE PLANNING BOARD.

YES 428 NO 68. AMENDMENT CARRIED.

**ARTICLE XVII:** Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to change SECTION 403 by deleting I-B Industrial-Business District and substituting the following:

I-B/R Industrial-Business/Residential: The Industrial-Business/Residential District is limited to business, light industrial and certain residential uses. By establishing compact areas for such uses, better fire protection, police protection and utilities may be provided. Performance standards and yard regulations are set forth in this ordinance to insure safe development that is compatible with adjacent uses. The purpose of this district is to encourage business growth and industrial installations in a campus like arrangement in the vicinity of important highways and other key locations.

RECOMMENDED BY THE PLANNING BOARD.

YES 400 NO 89 AMENDMENT CARRIED.

**ARTICLE XVIII:** Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning ordinance, as follows:

*A Special Town Meeting was necessitated in 1985 due to certain changes being made in the disposal of solid waste. The Warrant, and Minutes, of this meeting are printed below.*

**THE STATE OF NEW HAMPSHIRE  
TOWN OF NORTH HAMPTON  
WARRANT FOR SPECIAL TOWN MEETING**

L.S.

To the Inhabitants of the TOWN OF NORTH HAMPTON, in the County of Rockingham, in said State, qualified to vote in Town affairs:

WHEREAS, the CITY OF PORTSMOUTH will close its energy recovery plant in July, 1987:

AND WHEREAS, the TOWN OF NORTH HAMPTON is required to provide a facility for waste disposal:

You are hereby notified to meet at the Town Hall on Atlantic Avenue in said North Hampton, on SATURDAY, the 14th day of SEPTEMBER, 1985, at ten o'clock in the morning, to act upon the following subject:

To authorize the Selectmen to negotiate and enter into a termination of the existing contract with the CITY OF PORTSMOUTH, and to negotiate and enter into a contract of twenty (20) years' duration with the Maine Energy Recovery Company for the disposal of solid wastes, which contract would take effect upon the shutdown of the CITY OF PORTSMOUTH plant, and which contract would establish a tipping fee of approximately \$9.00 per ton, with certain cost of living adjustments, and to execute any and all documents in connection therewith, and to promulgate any regulations which will be required to implement said contract.

GIVEN under our hands and seals, this 5th day of August, in the year of our Lord, Nineteen Hundred and Eighty-Five (1985).

Stanley Knowles  
Walter S. Lerner  
Robert F. Carrigg  
*Selectmen of North Hampton*

**THE STATE OF NEW HAMPSHIRE  
TOWN OF NORTH HAMPTON  
MINUTES OF SPECIAL TOWN MEETING**

A special town meeting of the inhabitants of the Town of North Hampton qualified to vote in the Town affairs was held at the Town Hall on Atlantic Avenue, in said North Hampton on Saturday, the 14th day of September, 1985 at ten o'clock in the morning.

At 10:00 a.m. the Moderator Paul Cuetara read the warrant and declared the meeting open to act upon the following:

To authorize the Selectmen to negotiate and enter into a termination of the existing contract with the CITY OF PORTSMOUTH, and to negotiate and enter into a contract of twenty (20) years' duration with the Maine Energy Recovery Company for the disposal of solid wastes, which contract would take effect upon the shutdown of the CITY OF PORTSMOUTH plant, and which contract would establish a tipping fee of approximately \$9.00 per ton, with certain cost of living adjustments, and to execute any and all documents in connection therewith, and to promulgate any regulations which will be required to implement said contract.

Mr. Stanley Knowles moved that this article be accepted as read, seconded by Mr. Walter Lerner. Mr. Knowles explained the need for this and answered questions. The article was unanimously passed.

Meeting adjourned at 10:05 a.m.

Respectfully submitted,

North Hampton, New Hampshire 03862

We have examined the general purpose financial statements of the Town of North Hampton, New Hampshire, and the financial statements of the Trustees, a component unit of the Town of North Hampton as of and for the year ended December 31, 1985. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the general purpose financial statements referred to above, do not include property, plant, or equipment asset balances and corresponding depreciation accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the accounts described above results in an incomplete presentation, as explained in the preceding paragraph, the general purpose financial statements and the financial statements of the Trustees, a component unit of the Town of North Hampton, referred to above present fairly the financial position of the Town of North Hampton, New Hampshire, at December 31, 1985, and the results of its operations and changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted principles applied on a basis consistent with that of the preceding year.

THE STATE OF NEW HAMPSHIRE

TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1986

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the 11th day of March, 1986, at 10 a.m. in the morning, business meeting to begin at 7:30 p.m., polls to close at 7:30 p.m. and to reopen at the close of the business meeting, remaining open until all who wish to have voted; to act upon the following subjects:

ARTICLE I. To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes, one Town Clerk and all necessary Town Officers for the ensuing years.

ARTICLE II. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE III. To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

ARTICLE IV. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes annotated Chapter 31: Section 95-b.

ARTICLE V. To see if the Town will vote to accept the reports of Town Officers.

ARTICLE VI. (ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS.

To see if the town will vote to amend SECTION 302 as follows:

1. Delete paragraph 8 of Article III Section 302 and add the following:

8. FAMILY UNIT: One or more persons occupying a premise and living as a single unit, as distinguished from a group occupying a boarding house, club, fraternity or hotel, including quarters for relatives or servants or employees whose duties involve the premises on which they reside; so long as no rent is charged, utilities and kitchen shall be shared.

2. To add the following definition to Article III Section 302 as follows:

35. EXTENDED FAMILY APARTMENT: A second basic housekeeping unit as part of a single family dwelling. The size, configuration, exterior appearance, parking situation, septic capabilities and the neighborhood shall be considered as an incidental use, by the Zoning Board of Adjustment before granting this extended family apartment as a Special Exception. The apartment to be used only by relatives, servants or employees whose duties involve the premises on which they reside and for which no rent will be charged. The Selectmen shall record at the Registry of Deeds a statement signed by the owner of the property acknowledging the use restriction.

3. To add the following Special Exception, "Extended Family Apartment" as item 13, R-1 High Density District and as item 13 R-2, Medium Density District and as item 6, R-3 Low Density District all in Article IV Section 405, use tables.

ARTICLE VII. (ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS.

To see if the town will vote to amend Article VII SECTION 701 to read as follows:

Change the first paragraph of Article VII Section 701 so that it will read as follows:

Permits: No person shall commence in any part of North Hampton, construction, alteration, installation, removal, or demolition of a building or structure without obtaining a written permit for the same from the Building Inspector or other duly authorized enforcing agency and paying a fee in accordance with the following schedule. Said fees shall be turned over to the Town Treasurer. The provisions of this section shall not apply to maintenance work performed for the sole purpose of preserving, protecting or refurbishing, when such maintenance involves no structural changes, no alteration to electrical wiring or plumbing systems, and any material removed is replaced with like material. "Construction of single family dwellings shall conform to the B.O.C.A. One and two Family Dwelling Code," 1979 edition and the latest revision thereof. All other construction shall conform to the "B.O.C.A. Basic Building Code" 1981 edition and the latest revision thereof. All new buildings will comply with B.O.C.A. Fire Prevention Code and the latest revision thereof. All electric and plumbing work will conform to the codes as adopted by the State of New Hampshire.

ARTICLE VIII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will discontinue Capital Reserve Fund #1, Town Buildings, as it is no longer used or needed. The fund consisting of \$119.27 principal plus income shall be returned to the general funds of the Town.

ARTICLE IX. (RECOMMENDED BY THE BUDGET COMMITTEE) On Petition and subsequent presentation to and approval by the Board of Water Commissioners, duly elected or appointed by the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-Eight Thousand Six Hundred Dollars (\$128,600.00) for the extension of the water line along North Road from Route 1 easterly to the Rye, New Hampshire line and also along Park Circle and authorize the withdrawal of Thirty-six Thousand Two Hundred Thirty-six Dollars (\$36,236.00) including any additional accrued interest, from Capital Reserve Fund No. 2 (WATER), established in 1945, and to further authorize the Selectmen to act as Agents for the Town in connection with the purpose for which this fund was established in accordance with the New Hampshire Revised Statutes Annotated Chapter 35: Section 15, with the balance of Ninety-two Thousand Three Hundred Sixty-four Dollars (\$92,364.00) to be raised by a bond issue amortized over a five year period; all monies received by the Town as compensation from the Hampton Water Works shall be reimbursed to Capital Reserve Fund No. 2.

ARTICLE X. (RECOMMENDED BY THE TOWN BUDGET COMMITTEE)  
On petition of Michael C. Oiler and ten (10) other legal voters of the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of Nineteen Thousand Seven Hundred Dollars (\$19,700.00) to extend the water line northerly on Birch Road from the existing water line at the Tennis Club, a distance of 550 feet.

ARTICLE XI. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to approve the return to the Town Revenue Sharing account of certain allocated but unspent Revenue Sharing Funds so that they may again be allocated, namely;

Fire Dept. Paint For Station	344.71
Fire Dept. Station Maintenance	1,384.07
Mosquito Variable Flow Control Panel	<u>\$1,300.00</u>
Total	\$3,028.78

ARTICLE XII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate a sum not to exceed Ten Thousand Four Hundred Fifty Dollars (\$10,450.00) for the purchase of a new police cruiser, and to authorize the withdrawal of Seven Thousand Five Hundred Fifty Dollars (\$7,550.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto, with the balance of Twenty-nine Hundred Dollars (\$2,900.00) to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35, Section 15.

ARTICLE XIII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Five Hundred Dollars (\$500.00) for the purpose of repairing the Mosquito Commission truck and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE XIV. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purpose of Recreation Commission Dearborn Park Improvements and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE XV. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Four Hundred Dollars

(\$400.00) for the purpose of purchasing police guns and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE XVI. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the purpose of town building maintenance and study and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE XVII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for the purpose of hiring two EMT ambulance attendants.

ARTICLE XVIII. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE XIX. To see if the Town will vote to adopt the following Town Ordinance:

POSTING OF HOUSE NUMBERS Every dwelling, building or structure (whether existing on the date of adoption of this ordinance, or which may exist in the future) located in the Town of North Hampton shall be required to have a number posted upon such dwelling, building or structure or upon the property where such improvements exist, so as to be plainly visible from the street which abuts the main entrance to such property. Such posted number shall be at such a height level and area where the number will not be obstructed. Every dwelling, building or structure which houses more than one living unit or section shall also display a separate appropriate unit number or letter for each separate living unit, so as to be plainly visible on the main entrance to such unit or section of the main dwelling, building, or structure.

PENALTY The owner of any dwelling, building or structure who shall fail to post such numbers within thirty (30) days after notice from the Board of Selectmen or its duly authorized agent, shall be fined not more than Twenty-five Dollars (\$25.00) for each day that such number or numbers is not posted.

ARTICLE XX. (RECOMMENDED BY THE CONSERVATION COMMISSION)

RESOLUTION

WHEREAS, the 2500 acre Little River Watershed includes the largest block of undeveloped open space in North Hampton, and

WHEREAS, this watershed contains vital water, forest, wild life and farm resources, and

WHEREAS, these resources are central to the scenic character of the Town.

NOW, THEREFORE, be it resolved that the Little River Watershed be designated as an area of vital natural resource value to the Town of North Hampton, and further that the Town through its Conservation Commission should endeavor to work with landowners of this watershed to conserve and protect these natural resources.

ARTICLE XXI. On Petition of Thomas L. Haggerty, Jr. and more than ten other legal voters of the town of North Hampton, to see if the town will vote to require that:

Prior to the town's determination that the Radiological Emergency Response (Evacuation) Plan is approved and capable of being implemented, all officials, agencies, organizations and individuals given an emergency response role in the plans sign a Letter of Agreement (as required by federal regulation NUREG 0654) indicating that they understand, are capable of, and are willing to carry out their responsibilities listed in the town's Radiological Emergency Response Plan.

ARTICLE XXII. On Petition of Thomas L. Haggerty, Jr. and ten other legal voters of the town of North Hampton, to see if the Town will vote to require that all town officials, agencies and department personnel NOT participate in any nuclear emergency response exercises, drills or other related activities until the town's Radiological Emergency Response (Evacuation) Plan has been approved by majority vote at Town Meeting after public hearing by the Board of Selectmen.

ARTICLE XXIII. To transact any other business that may legally come before this meeting.

Given under our hands and seals this 10<sup>th</sup> day of February,  
in the year of our Lord, Nineteen Hundred and Eighty-six.

WILLIAM C. YOUNGCLAUS CERTIFIED PUBLIC ACCOUNTANT

TOWN OF NORTH HAMPTON  
Notes to Financial Statements  
Year Ended December 31, 1985

Note 1.) Summary of Significant Accounting Policies

The accounting policies of the Town of North Hampton conforms to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis is used for all fiduciary funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- A. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- B. Prepaid expenses are not normally recorded.

Property, Plant, and Equipment

Property, plant, and equipment acquired or constructed for general government services are recorded as expenditures in the fund making the expenditure. Funds used to require general fixed assets and/or debt service payments on borrowing in connection therewith are accounted for as expenditures in the year payments are made. This is contrary to generally accepted accounting principles which require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Investments

Investments are stated at cost.

Types and Purpose of Funds

- A. General funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.
- B. Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes, or local law.
- C. Other Governmental Unit Funds (Agency) - The town collects taxes for the Winnacunnet School District, North Hampton School District, Rockingham County, and the Little Boars Head Precinct as required by law. These taxes are accounted for as agency funds.

TOWN OF NORTH HAMPTON  
Notes to Financial Statements (Continued)  
Year Ended December 31, 1985

Note 1.) Summary of Significant Accounting Policies (continued)

Types and Purpose of Funds (continued)

- D. Capital Reserve Funds - Used to account for financial resources to be used for the acquisition or construction of major capital facilities.
- E. Property Taxes - Property tax revenue recognition requires disclosure of property taxes receivable, which are to be collected beyond a period of 60 days subsequent to December 31, 1985, are recognized on the balance sheet and not reserved. The Town of North Hampton recognizes, without reserve, all taxes receivable at the end of the fiscal year. This accrual practice is consistent with other New Hampshire municipal entities and more appropriately matches the liability to the school districts at December 31 with collections intended for school district payments through June 30 of the following year.

Property taxes collected by the town include taxes levied for the following governmental units as required by law. The town is responsible for all collections.

Town of North Hampton	\$ 544,251
Little Boars Head District	10,073
School Districts	1,951,329
Rockingham County	<u>166,807</u>
Total 1985 Tax Levy	<u>\$ 2,672,460</u>

The town raises revenue through taxation for abatements and refunds of property and resident taxes by an amount set as overlay. The tax overlay for 1985 was \$21,323 and abatements amounted to \$18,637.

Other General Accounting Policies

Retirement System

Several members of the Police Department, Fire Department, Highway Department, and Town Office are members of the new Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation which is fixed by law. The Town's contribution rate for normal cost of the plan is based upon an actuarial valuation of the state plan as of June 30, 1985, at varying rates by occupation. Since the valuation is based on the entire state plan, the amount of excess vested benefits over fund assets is undeterminable for the town. The town has no past service cost obligation.

TOWN OF NORTH HAMPTON  
Notes to Financial Statements (Continued)  
Year Ended December 31, 1985

Note 2.) Long Term Indebtedness and Town Borrowings

The town during 1983 incurred general obligation debt for capital expenditures (water extension).

The following is a summary of the remaining general obligation serial bonds originally issued at \$63,000 with interest at 7.75%.

	<u>Principal</u>	<u>Interest</u>
Due 12/10/86	\$ 12,600.00	\$ 2,613.07
Due 12/10/87	12,600.00	1,636.57
Due 12/10/88	<u>12,600.00</u>	<u>976.50</u>
	<u>\$ 37,800.00</u>	<u>\$ 5,226.14</u>

Debt retirement for 1985 was \$12,600.00.

The bonds are secured by the full faith and credit of the town.

The town, on a short term basis, borrowed \$1,200,000 in anticipation of taxes during 1985. The amount was fully paid prior to year end.

Note 3.) Non-Expendable Fund Balances Reserved for Endowments

The Trustee of the Trust Funds is the fiduciary of certain non-expendable, limited purpose trust funds as restricted by the terms of the grantors. Only the income earned may be expended. The trustees non-expendable trusts are listed as fiduciary trust funds. The amounts of trusts and purpose as of December 31, 1985, were:

	<u>Principal</u>	<u>Interest Designated</u>	<u>Total</u>
Cemetery Endowments	\$ 92,164.07	\$	\$ 92,164.07
Library Endowments	3,000.00		3,000.00

	<u>\$102,279.62</u>	<u>\$ 934.21</u>	<u>\$103,213.83</u>

TOWN OF NORTH HAMPTON  
Notes to Financial Statements (Continued)  
Year Ended December 31, 1985

Note 4.) Restricted Special Revenue, Special Purpose Accounts, and Capital Reserve Funds

As of December 31, 1985, the Town had the following special revenue funds committed, but not expended.

A. Revenue Sharing:

Fire	\$ 1,679.36
Library	2,142.90
Mosquito Control	<u>1,300.00</u>
	<u>\$ 5,122.26</u>

B. Conservation Commission, formerly capital reserve for acquisition.

\$ 16,706.61

C. Capital Reserve

# 1 Town Buildings	\$ 284.32
# 2 Water Fund	36,236.70
# 3 Town Buildings	286.85
# 5 Fire Truck	32,686.94
# 6 Police Cruiser	3,927.50
#10 Highway Truck	<u>23,077.64</u>
	<u>\$ 96,499.95</u>
Total	<u>\$113,206.56</u>

Note 5.) Contingencies and Unasserted Claims

During 1984 the Town of North Hampton was identified by the State of New Hampshire and the United States Environmental Protection Agency as a potentially responsible party in relation to clean-up costs resulting from the contamination of a landfill site located within the town.

As of our audit date no legal proceedings have been asserted by any party.

The clean-up costs at the site are expected to be substantial. If claims are asserted and judgements are adverse to the town it is reasonable to anticipate that the effect on the town's financial position would be significant.

## REPORT OF THE TRUSTEES OF THE NORTH HAMPTON LIBRARY

In 1985 there were many kinds of programs, activities, and events in the Library — from story hours for children to adult book discussion groups, from volunteers relabeling books to Friends hosting the tree decorating party. A few highlights of the year's calendar include:

- Friends' International Soup Luncheon in April
- Area Library Forum V in April (with demonstration of the New Hampshire Automated Information System)
- Road Race, cosponsored by the Boosters Club, in June
- Fair and Book Sale in September
- College Information Seminar in October.

The trustees this year again addressed the problem of providing a more efficient and economical energy system for the Library.

As the second phase of the program began in 1984, the ceiling tiles were replaced and suspended lights were installed in the main reading room. Before additional insulation can be installed in the attic, however, it will be necessary to repair and/or replace the roof because of ventilation and water problems there.

The appointment of Robin LeBlanc as librarian was confirmed. She has been very active this year in library groups on the regional and state level. In the coming year the trustees and librarian will be working on meeting the New Hampshire Public Library Standards which became effective in 1985.

With the work and support of staff, volunteers, Friends, and patrons, 1986 promises to be another outstanding year at the North Hampton Public Library.

Monetary gifts totalling \$454.00 were given to the Library this year. Much of this was used toward the purchase of large print books.

The North Hampton Woman's Club and the Association for Family Education were once again generous with gift books this year, including a 3-volume reference work, *Bookfinder*, from AFE. Throughout the year, many people brought in boxes of used books for us—those we did not enter into the collection went into the book sale.

A North Hampton resident donated a VIC-20 computer to the Library, along with miscellaneous programs and hardware accessories. Another patron donated a joystick for our existing VIC-20.

The second annual road race, co-sponsored by the Boosters, was held in June and brought the Library \$341.83. The third annual book sale and library fair, held in September, netted \$560.08.

**REPORT OF THE POLICE DEPARTMENT  
OF THE TOWN OF NORTH HAMPTON  
For the Year 1985**

The year 1985 has been one of many changes with the growth of the town, especially along Route 1, and with this has come an increase in motor vehicle accidents, up 16% over 1984, and the 1986 growth appears to be looking the same. We now have 210 businesses listed in town, not including home businesses, with more to come in 1986. With this increased growth come people and with this come increased problems.

Although burglaries in town remain about the same as last year there was an increase in thefts and malicious damage. The department has also been involved in investigating armed robberies, rape, sexual assault of children, and aggravated assault.

Over the past few years the town has changed and more change is coming. The department urges you more than ever to be aware of what goes on around you and in your neighborhood.

We thank you for your past cooperation in 1985 and look forward to your support in 1986 to all departments and boards of the town.

Respectfully submitted,

Bruce Golden

# **REPORT OF THE FIRE DEPARTMENT OF THE TOWN OF NORTH HAMPTON For the Year 1985**

The North Hampton Fire Department responded to 209 calls in 1985, up 43 calls from the previous year. These consisted of calls for 78 structural fires, 38 cases of Mutual Aid, 11 auto fires, 28 auto accidents involving personal injury, 24 grass and woods fires, 22 miscellaneous fires, and 8 public assists.

There has been a 20% increase in daily fire related activities. A great deal of time has been spent due to increased inspections caused by the rapid growth along US 1 as well as the new housing projects. At this time the Town has approximately 210 businesses.

The Department has been fortunate this year in our training program. We have been able to take advantage of some excellent schools for our personnel. I attended an Emergency Management Course for two weeks at the National Fire Academy in Emmitsburg, Maryland. Lieut. Lambert took a course offered by the International Fire Service Training Association (IFSTA), for four days in Brockton, Mass. This course was on Hazardous Materials. These are matters that we are having to work with more and more, and the storage and transportation of these materials is relatively new to Fire Departments. We are also taking advantage of the Teleconference Program which is being presented by the National Fire Academy.

This year with the financial support of the North Hampton Firemen's Association, the North Hampton Ambulance Corps, and the North Hampton Women's Club, the Fire Department has acquired a computer. An Apple IIE is installed in the Fire Alarm Room and various programs are being implemented for it. These include all business in town, names and numbers for emergency calls, a dispatch program with hydrant locations, etc. This will expedite our fire and ambulance calls and is also integrated into our Department Training Program.

Our Department is glad to see the North Hampton Women's Auxiliary working with us again this year. It is not necessary for your husband to be on the Fire Department to be a member of the Women's Auxiliary. If you are interested please get in touch with

either Mary Lambert, Pat O'Connor, or Ann Francis of the Auxiliary. This organization is a fine support group for our Department and we would welcome additional members.

# REPORT OF FOREST FIRE WARDEN FOR THE TOWN OF NORTH HAMPTON AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

**REPORT OF THE  
NORTH HAMPTON AMBULANCE CORPS, INC.  
FOR 1985**

The North Hampton Ambulance Corps has completed its 18th, and possibly last year of service to the Town of North Hampton.

Our members have been extremely busy during the past year covering "on-call time," training, scheduling, answering 197 calls for assistance, and handling all the day to day duties essential to the operation of a town department.

Thanks to the generosity of our residents, the Corps has purchased a new Ford Van to replace the 1973 model which served us well for many years. In addition, we have added Anti-Shock trousers which are quite a luxury for a relatively small Corps.

In spite of the financial support we receive, our future is not promising. People who have devoted lots of time over the past 10 years always hoping for an influx of new blood, are finally burning out. Our subtle pleas for help have gone unanswered. Twice in recent months this was painfully evident when our \$30,000 worth of shiny new equipment sat idle in time of need because there was no one there to help.

What lies in store for the North Hampton Ambulance Corps? I'm not sure. Our members are working diligently to determine what are the alternatives. Our goal is to maintain the quality, personalized service that the town has become accustomed to while keeping the cost to a minimum.

To those who have given both time and financial support, we extend our sincere thanks. To anyone who can help in the future, please let us hear from you.

Respectfully submitted,

Sharon M. Hendry

## REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION

During the past year we have been working on several projects of importance to our residents and to our geographical area. Work on the Woodland road Conservation Property has continued with marking and clarifying the trails and clearing away the fallen trees and brush. We hope to have a direct connection to "Ship Rock" very soon.

Both marsh areas have been walked this year with Dr. Richardson's guidance. Both areas have been under study by groups from U.N.H. and recommendations have been made — how much control must be exerted to keep the proper ecological balance in these two unique areas.

Entrance to another parcel of Town Conservation land has been legalized and that parcel will soon be in use by residents for recreational purposes: hiking and cross country skiing. This is located between Mill Rd. and Woodland Rd. and can be reached by the old logging road shown on our Town Map from Mill Rd.

We have been in discussion with County Extension personnel pertaining to protection of the Little River watershed areas. Talks with property owners in the area will be ongoing in 1986.

## REPORT OF THE NORTH HAMPTON HIGHWAY SAFETY COMMISSION

It should come as no surprise that the focus of this report is the traffic and safety problem which has come upon us so quickly with the new retail stores on Lafayette Road. We knew it was coming, and we knew we could not stop it. However, many did feel it could be better managed.

Last summer's public hearings, including the one with a large contingent of state highway officials appear to have accomplished little. To the best of our knowledge, none of the special highway budget created by Governor Sununu and the Governor's Council will be used to alleviate the problems on the major state road through our community. In all fairness, however, it should be pointed out that the people in charge of the (state) district maintenance division are doing what they can within their present budget. We do appreciate their efforts in our behalf.

In a related state matter, we certainly hope we have seen the last of the proposal for a North Hampton interchange with Route 95. The Town appeared unanimous in its resentment at being used as the ping pong ball in some sort of game between the state legislature and highway department.

We find ourselves again thanking our local officials for their diligent pursuit of safer roadways. Police Chief Golden, the Board of Selectmen, and the Planning Board deserve not only our gratitude but also our continuing support for the excellent job they are doing.

Respectfully submitted,

Jeffrey A. Hillier, *Chairman*

## REPORT OF THE SEACOAST VISITING NURSE ASSOCIATION

During fiscal year July 1, 1984 to June 30, 1985, 1768 calls were made to residents of North Hampton. A comparison follows:

	1985	1984
Nursing	1,046	1,048
Physical Therapy	269	242
Occupational Therapy	91	32
Speech Therapy	94	36
Home Health Aide	<u>268</u>	<u>362</u>
Total	1,768	1,720

Of these calls during this Fiscal Year, 255 were made to fifty (50) patients free of charge or at a reduced fee.

Currently twenty-seven (27) children from North Hampton are enrolled in our Well Child Clinic, which is held twice a month to serve children from birth to six (6) years of age from families who meet federal income guidelines (O.M.B.). Dental Clinics, staffed by Dental Hygienists from the State of New Hampshire Dental Bureau, are held twice a year for these children, ages three (3) to six (6) years old. Further treatment from a dentist, when needed, is provided under a grant given for this purpose by the Rotary Club.

Daily between 8:00 a.m. and 4:00 p.m., a walk-in service at our office at Seacoast Village, 29 Lafayette Road, North Hampton, is available to all residents for free health counseling, and blood pressure monitoring. Flu Clinics are held each fall in our office and vaccine is also available for our homebound patients at a nominal fee.

Our staff consists of six (6) full time Registered Nurses, three (3) part time Registered Nurses, two (2) Physical Therapists, one (1) Occupational Therapist, one (1) Speech Therapist, one (1) Home Health Aide, a secretary and a bookkeeper.

Our Office: 29 Lafayette Road, North Hampton, N.H. 03862, Telephone 603-926-2066.

## REPORT OF THE NORTH HAMPTON RECREATION COMMISSION

Thanks to town support, the Recreation Commission has been busy broadening the recreational opportunities of North Hampton. Dearborn Park, the town's developed recreation facility, has newly resurfaced multi-purpose courts which are now in excellent playing condition. North Hampton children enjoyed six weeks of tennis lessons on the new surface last summer. The North Hampton School gymnasium has been used both for aerobics classes taught by a town resident and co-ed volleyball. We hope to continue both programs in the future.

Our first priority this year will be the installation of a community built children's playground at Dearborn Park. We are very excited about this project because community volunteers will help us keep costs to a minimum. The volunteers, with the supervision of a playground expert, will complete construction in one day. We are convinced that such a playground at Dearborn Park will enhance the overall recreation facilities in North Hampton. Should you be interested in volunteering time, and/or materials, please contact one of the Recreation Commission members listed below.

Our 1985 Summer Recreation Program was enthusiastically directed by a staff of four. The Recreation Commission would like to compliment Jacqueline Haight, the director, on a well organized, varied and enjoyable program which registered 117 children.

Future considerations for the Recreation Commission include upgrading of the parking lot at Dearborn Park and acquisition of additional land, in conjunction with the Youth Association, to insure adequate space for the future. The Commission would welcome residents' input about these and other considerations.

## REPORT OF THE NORTH HAMPTON YOUTH ASSOCIATION

In 1985 we had some great Youth Association events. During the winter we purchased a beautiful new pitching machine with a portable generator. This turned out to be an even greater aid to coaches than anticipated. Thanks go to Hank and Georgia Dougherty; they organized an all new Hit-a-thon fund raiser to pay for it.

We had a great Hockey and Basketball season which was incorporated with the Hampton program. Soccer remains a very popular sport. We continue to rely on parents joining in to provide enough coaching for all of the teams.

Our short-term goal is to improve the organization of our programs and to keep ahead of sports program needs for our youth. Our long-term goal is to provide a comprehensive location for greater efficiency and to ease the burden of all our volunteers.

## REPORT OF THE NORTH HAMPTON MOSQUITO CONTROL COMMISSION FOR 1985

After the wet season of 1984, we were blessed with a dry season in 1985, until September. The freshwater breeding sites were nearly non-existent. However, the salt marshes continued to breed mosquitoes when flooded by the high tides. The amount of breeding found on the salt marshes was far below normal during the months of June and July. Usually, July is known as "The Month for Mosquitoes." This was not true in 1985. I would deem September as the month for mosquitoes this year. Each September, supervisors decide whether or not to spray the marshes in the fall since a frost could occur anytime killing the mosquitoes. This year approximately half of us decided to spray. Each of us would be spraying alone because we all lost our summer help. The following 3 weeks turned into a mosquito controller's nightmare. The marshes flooded with the full moon on August 31, then we received 4 inches of rain, then the temperatures shot up to 80°. This was supposed to happen in June or July, not September. By the third week of September the mosquito populations were higher than they had been all summer. The beginning of September was cold and damp, so all supervisors stored our truck mounted sprayers for the season. Every night we prayed for a frost, but every night the temperature stayed warm. After consulting with the other supervisors, I decided not to bring my spray trucks out of winter storage. I felt that the benefit of spraying one night was not worth the cost of chemical, labor and setting the sprayer back up for operation. This was a tough decision since so many residents were calling on me to spray. We never thought Indian Summer would last so long.

The sprayer presented few problems last summer. The initial flow meter arrived, and was defective. However, this was not discovered until the meter was fully installed. A second flow meter was then ordered, but would not arrive until the third week in June. By June 22 the sprayer was ready for the mosquito season. Then, the truck broke down. It's always something. The newly renovated sprayer sat atop the decrepit truck for 3 weeks. After a deluge of repairs, the truck was operating, but not smoothly. Our 1970 Ford spray truck has seen better days and is ready for retirement from mosquito control. A new, used truck has been recommended for 1986.

Once again, I'd like to thank my assistant, Rebecca Goodson. This was her third season in mosquito control. She was in complete charge of the adulticiding routes in North Hampton. I commend Ms. Goodson on her reliability on the job.

On the whole, I was pleased with the 1985 season. The sprayer ran smoothly, the weather was favorable for spraying every week and we actually received compliments. Yet every season something unusual occurs; too much rain; too little rain, broken sprayers, broken trucks, etc. What will next season bring? I can hardly wait for spring.

Sincerely yours,

Sarah Tillotson

To the inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote on District Affairs:

**YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE IN SAID NORTH HAMPTON ON MONDAY, MARCH 11, 1985, AT 7:30 P.M. IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:**

Notice: School District Officers will be elected at the Town Meeting, North Hampton Elementary Cafeteria, March 12, 1985, in accordance with the statutory election procedure adopted by the District at its March 1970 Annual Meeting.

**ARTICLE I:** To see if the District will vote to establish a contingency fund in accordance with the Revised Statutes Annotated 198:4-b, such a contingency fund to meet the cost of unanticipated expenses that may arise during the year, and, further, to see if the District will raise and appropriate the sum of \$2,500 for this purpose.

It was moved by Mr. Maynes that the district accept Article I as printed — seconded — hand vote — passed.

**ARTICLE II:** To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.

It was moved by Mr. Sanborn that the District raise and appropriate the sum of \$1,495,990 for the salaries of school district officials and Agents, and for the payment of statutory obligations of the District — seconded — Mr. Sanborn presented the budget line item by line item explaining the teachers salary account as a negotiated item between the teachers union and Supervisory Union No. 21. Mr. Boesch questioned the budget committee's cut in account 1100. (tuition of special education needs for \$20,000 which was an estimate based on anticipated needs). The budget figure of \$1,495,990 was voted upon — hand vote — passed.

**ARTICLE III:** To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

Mrs. Jones moved that Article III be accepted as printed — seconded — hand vote — passed.

Mrs. Jones spoke to the meeting of Greg Sanborn's nine years as a School Board member, of his contributions and commitments and presented him with a plaque at which time he was given a standing ovation by those present.

**ARTICLE IV:** To transact any other business that may legally come before said meeting.

It was moved that the meeting adjourn — seconded — hand vote — passed. Meeting adjourned at 8:42 P.M.

## REPORT OF THE AUDITORS

To the Members of the School Board  
North Hampton School District  
North Hampton, New Hampshire

We have examined the combined financial statements and the individual fund statement of the North Hampton School District as of and for the year ended June 30, 1985, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted government auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund financial statement referred to above present fairly the financial position of the North Hampton School District at June 30, 1985 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The individual fund statement and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the North Hampton School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

## REPORT OF THE PRINCIPAL

It is my pleasure to submit this annual report to the citizens of North Hampton.

Our goal at North Hampton Elementary School is to provide all of the children in our school with the best education possible based on their needs, abilities and interests. We stress academic pursuits but we also realize the importance of providing opportunities for social and emotional growth as well.

In the curriculum area, our committee work has focused upon Reading and Spelling and we have adopted a basal reading series in grades 1 - 3 to be used in conjunction with our Open Court program. This co-basal approach allows for more flexibility of programming based upon students' strengths and learning modes.

A study committee assessed our spelling needs and decided upon the adoption of a spelling series in grades 2-5. This provides a structured and sequential program in spelling for the students in these levels. Grade 1 utilizes the Dolch list and the junior high uses a program specifically designed for their level.

Our present curriculum work is focusing upon mathematics in grades 5 - 8 with problem solving and critical thinking skills continuing to be an important consideration. We have a computer committee that will be working toward the adoption and implementation of computer programs as outlined in a newly-written K-8 computer curriculum guide.

As a result of our Drug and Alcohol Awareness sessions last year, a committee decided upon the adoption of a state-endorsed program, Here's Looking at You Two, for grades K-8. A team of teachers has been trained by SOLVE and this program is already being used in the junior high. The plan is to train more teachers and to have all students participating in this program by June 1986.

Special services in our school, from initial student referral to actual classroom implementation of special programs, are coordinated through the Special Education Department. Students, who are in need, receive such services as Speech and Language therapy, Occupational Therapy, Counseling, and Remedial work in content areas. Chapter I (formerly Title I), a federally-funded program continues to offer assistance to youngsters in the primary grades.

Enrichment at North Hampton Elementary School, not only focuses upon academic programs for the accelerated students; but the many enriching experiences offered to our youngsters through programs within our classrooms during the school day or after school. Selected 8th grade students are participating in the Algebra program at Winnacunnet High School; Literature is offered here to selected 7th and 8th graders; and a creative writing program is offered to some of our talented young writers. Other activities include: Band, Chorus, Photography Club, Art Club, Yearbook Club, Young Authors, Oratorical Contest, Spelling Bee, Student Council, Drama, Ski Club and Sports (including boys' and girls' soccer and basketball; Co-ed cross country track, baseball, softball). Fine arts programs sponsored by the Boosters' Club as well as our own student/teacher produced assemblies offer a wide range of enriching and rewarding activities and experiences for our total population.

Our school structure and grade level range offers us the unique opportunity for students to serve as student-tutors or teacher aides, and provides many opportunities for the older youngsters to share their talents and skills with the younger ones. You will often see a junior high student reading his or her original story to a class of first graders.

My thanks to the dedicated teachers and staff members, to the Boosters' Club and other interested community members; and to the School Board for their continued support of our school.

Our common goal should be to continue to seek ways to improve — good things can always be made better!

Respectfully submitted,

Joan F. Hammond
